NAF Educational Assistance Award Application

In 2010 the NAF is planning to award up to a total of \$50,000 in Educational Assistance Awards to deserving Nevada students. The Scholarship Committee will give consideration only to applicants who document intent to follow an agricultural curriculum. Award recipients must enroll within the year awarded (by Fall semester) or forfeit the award. If a student cannot meet requirements for the award during any year of the award, the award will be forfeited. The recipient is eligible to reapply when they can meet the requirements. Please note the various awards and their amounts as listed. Some awards are restricted as to major fields of study within an agricultural curriculum, and those restrictions are noted. Also, please note the **applications must be postmarked by: March 15.**

**Mail completed applications to: Nevada Ag. Foundation
Educational Assistance Awards
P.O. Box 8089
Reno, NV 89507**

Applicants must provide **complete** forms that comply with the items on the Application Checklist - worthy applicants will be eliminated from consideration if they have failed to sign their application and/or send their transcript.

Notification to successful applicants should occur about April 10.

We appreciate any help you can provide in distributing this information to interested graduating high school students of your school(s), class, or organization.

Thank you for your assistance.

Sincerely,

Sue Hoffman
